When did you start fetish modeling and under what circumstances?
I started shooting fetish in 2020. I was only a dancer before joining the industry to pay off college debt, but I fell in love with shooting content that appreciated my trans identity.

How did you feel the first time you took your clothes off for the camera?
I was definitely nervous. I found out that I was a little exhibitionist when I started dancing, but the energy is so different on camera.

How did you become aware of your fetishistic side?
Before porn, I was more submissive and passive. After I started to work online and with studios, embracing the dominant side was something different and yet natural for me.

What do you like personally? What do you fetishize in your life?
I love the dynamics of a masculine man being dominated by a woman, especially when they don't submit eagerly. It's a challenge to make a man a pet.

Do you wear fetish clothes in public? What are your favorite items?
Not often. I usually dress very innocent and feminine. My favorite items are all very girly; I can usually be seen wearing bows or flowers of some sort. It's why my domme room is mostly colorful pink and white items, instead of chains and black leather.

Have you ever scened in public?
Not yet.

Are you dominant, submissive or a switch?
I am very much a switch. I feel like I am a chameleon when it comes to preferences. At the same time, I like being with people who can be both dominant and submissive.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
I have definitely blossomed into my sexuality. Before porn and online work, I never really embraced being dominant or kinky. But now I enjoy dominating and sissifying men. Really taking the time to strip away that sense of control is wildly erotic.

Is there anything you would like to try sexually that you have not done yet?
I would absolutely love to be suspended and dominated. I never fully embraced that side of me—to be a full sub—and really want to dip my toes in the water. I've been dominated and in bondage before; yet I still felt like I had control.

Do you like rough sex?
I *love* rough sex! Nasty spitting and smacking is something I love to do when I top. To me, it makes it more passionate.

What about pissing or golden showers?
Personally, I do not like to get pissed on, but it's so hot watching someone become a straight-up slut for it.

How do you feel about anal sex?
Amazing at times, if they know how to treat a lady. If I'm topping, I like to make you submit.

What are your hard limits?
I don't like getting hit... But I absolutely love to push the boundaries of a new sub.

Do you like foot and leg fetishism, attention to your feet?
Yes, especially when someone pays for a pedicure and it's all fresh; it makes me want to flaunt my feet on someone's face. Feet are not [fetishistic] for me personally, but I get excited when guys are obsessed with my feet.

What kind of porn do you prefer? What do you search for on the internet?
I love watching all kinds of porn: lesbian, gay, straight, bisexual—all porn. It's captivating.

What is the most requested thing you are asked to do by your fans/followers?
Most of my requests are either domination or humiliation. I prefer pure domination over humiliation, specifically because I want my sub to love it and not mix in shame with pleasure.

What was your favorite part of shooting for TABOO?
My favorite part was that it was my first time shooting something like this for a magazine. My photographer was absolutely amazing! I was able to be myself and work with someone who wasn't unfamiliar with or shy about me being trans.

BRITTANY & HIROKO

Coming Clean

PHOTOGRAPHY BY LEE FORBES

Hiroko wishes she had just let them deport her, instead of accepting the special "diversion" program. Brittany, superintendent of the sterile, windowless indoctrination center, takes particular pleasure in administering Hiroko's daily hygiene regimen. Wrists and thumbs gripped in rigid, steel cuffs, Hiroko eagerly tongues the Junoesque blonde's cunt and ass, futilely attempting to delay the inevitable.

The cold douche induces gooseflesh and shudders. Forced to lick up her own snatch drippings, Hiroko's face purples with shame. The thick, inflatable bardex nozzle is next, wormed slowly into her clenching anal canal.

With the bulb blown up inside her, she's helpless against the inrushing tide of hot, soapy solution. Fighting her own desires, Hiroko's head spins as gloved fingers invade her oozing gash. Distended belly churning, she must retain the burning liquid while Brittany pounds her with the thick strap-on, threatening horrific punishments for any "accidents."

Finally allowed to expel the steaming contents of her bowels, Hiroko's humiliation overpowers the physical relief. In a final test of her internal cleanliness, the hapless prisoner must take the chubby dildo up her freshly flushed rectum. Another day in hell has begun.

When did you start fetish modeling?
I've never actually been a quote-unquote fetish model specifically, but I would say, during my porn career over the last four years, I've for sure ramped up my fetish modeling. I love playing with BDSM pieces.

How did you feel the first time you took your clothes off for the camera?
I felt excited but nervous. I love to be watched and admired. I honestly don't have a memory of it being significant to take off my clothes for the camera. But I remember, when I stripped and took my clothes off for my first club audition, I received a good amount of money and such praise that it made me excited to do it again.

How did you become aware of fetishism?
I was big into Tumblr and the BDSM/fetish side of the internet. I loved reading different erotica and reblogging sexual GIFs and clips. That started it all for me.

What fetishes do you like personally?
I love rough, kinky play. I don't fetishize anything specifically, but I have a huge praise kink. I also love to fully submit and be tortured in different ways, which you can see in my scenes with Kink.com. I think it's fun on that set to explore different things with pain in a safe environment, to see what I can handle. I've tried foot torture, hot wax, clothespins...you name it.

Do you wear fetish clothes in public?
Yes!!! I think a pop of something sexual with a normal outfit is fun. It's so cool to rock a leg or chest bondage piece when I'm going out at night. I live for being frisky like that.

Are you dominant, submissive or a switch?
I'm very much a switch. I feel like it's on a person-by-person basis, but I'm inherently a sub by nature. As I've grown in my sexual career, I play more on my dom side, and often in porn scenes I'm cast as the aggressor, which feels natural for me now as well.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
Sure. My boundaries are ever-changing. I feel like I find new stuff out about myself all the time. I just played with latex for my first time ever, shooting for this magazine specifically!

Do you like rough sex?
I love it! Every time I try to do a calm, normal scene, I always go crazy and rough. I can't help it. I love getting my inner thighs slapped—that'll make me come every time if I'm stimulating my clit. I love someone who knows how to be rough in the right way. That's my favorite.

How do you feel about anal sex?
I love at-home anal sex. When I have a cock in my ass and I'm using my Magic Wand, I have some of the most intense orgasms ever.

What are your hard limits?
I don't really like being degraded. I also don't like tickle play and am turned off by electricity—that's a super-hard limit, haha.

What is the most requested thing you are asked to do by your fans/followers? And what's the most outrageous?
I don't really get asked to do too many crazy things, because that's not really my brand, but back when I was a camgirl, I got asked to take pieces of fruit and shove them up my vagina. I cut up pieces of banana and shoved about five pieces up there to push out!

Do you get requests for pantyhose, stockings, shoes, etc.?
Yes, all of the above, especially items that they know from specific scenes. I'm actually going to start selling all of my used items on a site near you soon...

Do you like foot and leg fetishism, attention to your feet?
I don't mind it. It's not anything that I feel super-strongly about. I'd say I'm indifferent to it, but I do know that I have very pretty, small feet, and for that I'm grateful.

What kind of porn do you prefer? What do you search for on the internet?
To be honest, I don't really watch porn much, but when I do, I watch "Fucking Machines" on Kink, or I watch girls who cam, where I can't see their faces, but I can hear their tokens going off as they're coming. Hearing that sound helps me come.

Are you in a fetish lifestyle partnership? Would you like to be?
No, I am not currently in a fetish lifestyle partnership, but it's definitely something that I'm open to exploring.

Why did you want to shoot for TABOO?
BDSM is a huge part of my life, my brand and who I am in my sexual being. I'm honored that I get to showcase that through beautiful photos for this magazine. Also, I'm happy to further continue my journey with HUSTLER!

What was your favorite part of shooting for TABOO?
It was my first time playing with latex, and I really, really enjoyed it, which opens the door for me to play with more cool latex pieces. I love working with Ellen. She makes me feel so sexy. What an honor to be able to shoot in New York City!

CANDY & JOHN

30 Days in the Hole

PHOTOGRAPHY BY ANDRE BAYLOCK

Candy no longer wonders how long she'll be in this underground hell. Stinking of sweat and sex, hair greasy and feet grimy, it doesn't even matter anymore. John, her trainer, just hurts and uses her as he sees fit. She obeys without question, automatically kneeling on the hard stone slab with her head down when he enters. He doesn't even bother to speak to her, locking her down for her daily whipping. He's methodical as always, applying the leather up and down her splayed body until the chamber echoes with her cries. By now she knows to arch her butt when the leather comes down, offering it for discipline. He doesn't quit until she's striped and stinging from neck to knees.

Then, as always, he works her how he pleases. Candy used to dread having his thick, rigid rod in her tight, tiny asshole, but now she knows there's no escaping that fate when he starts licking it and stretching it open. Securing her ankles overhead to her wrists, he slowly and relentlessly drills her tail. It's shameful, but she can't even pretend to hate it anymore. Let loose, she impales herself on him, sphincters clutching at his cock as she comes. Candy's gotten used to the taste of her own slime, but can't help gagging when his hot cum explodes down her throat, spilling out of her nostrils in a reeking flood to soil her face.

He leaves her filthy and defiled once again. Tomorrow will probably be worse.

DEVI, AMBER, CHARLOTTE & JOHN

Oral Tradition

PHOTOGRAPHY BY KEN MARCUS

I'm just an apprentice slave, here to watch, learn and lend a hand, Master John explains as he surveys the three of us, harnessed, heel-shod and kneeling before him. Charlotte and Devi will show me what well-trained girls' mouths are for. Charlotte's the senior girl who'll do most of the work today. Slender Devi seems almost weightless when John and I hold her aloft so Charlotte can fold into a back bend and lap her from underneath, providing me with a most educational view. I want to get in there myself, but I haven't earned the privilege yet.

Folded face-up on the bench now, Charlotte gulps John's rigid meat easily down her throat despite the distraction of Devi burrowing between her thighs. Holding Devi's hair, I watch, hypnotized by their synchronized motions, never realizing what a fully trained slave can do before now. John takes a taste, Devi swinging from the bar to offer her cunt, then lying open on Charlotte's back so Charlotte can entertain him while kneeling. Changing places smoothly, now Devi sucks and Charlotte rims. Ordered to push Devi down hard, I feel her gag on his slab. The spectacle makes me wet enough to beg, but there's no time for me. My slave sisters come around to take John's drenching jism on their faces, sharing it nastily between them. It will be my turn down there next time, and I'll be ready.

HANNAH

Master's Piece

PHOTOGRAPHY BY FORBES DIGITAL

Hannah's huge, blue eyes follow Master Aryn's every move. He loves watching the moods pass across her dramatically beautiful face—anxious, pleading, hopeful, martyred. He loves the twitching of her superb frame at the prickly touch of the spiked glove. Hannah's tits, ass and pussy are already bright vermillion from the harsh sting of the crop she clenches in her teeth, but she keeps still in her hanging chain-cage, almost defying him to test her limits further. Unrestrained in front of the mirror, she offers herself to the flogger for more, turning on command to receive the snapping strokes on her backside and up between her open thighs in a lascivious mating dance of perverse cruelty.

Hannah so needs to be fucked right now, but he wants her even more desperate. A web of ropes knitting her rigidly to the X-frame makes his taunting, unpredictable whip-swats an excruciating tease. And being tied on the floor with one leg lifted makes her swollen parts impossible to ignore. Amused by her begging, Aryn frees Hannah to masturbate herself while he pops the graduated, hard-rubber balls into her greasy ass, one at a time. Like so many of the best slaves, she's ever so ticklish back there, coming violently with each sphincter-stretching intrusion. Working herself off with a pussy-dildo is just warm-up for the deep intrusion of the feather-duster handle into her rectal sheath. Maybe if she dusts the dungeon well enough, she'll merit a good slave's proper reward—all over that pretty face.
